Imperial View*

Endorsement by Hal Longley

Few breeders have a more definite breeding program in mind than Ralph Taylor and few maintain their herds at a higher state of efficiency. I have always been a firm believer in his program of breeding "double decker" Scotch cattle. His herd has few equals from the standpoint of rich Scotch ancestry; he has used excellent judgment in the selection of individuals for the permanent breeding herd; he has considered not only the beef form and the pedigree but also the ability of each cow to give her calf a good start in life, and he has used excellent stock bulls. As a consequence, his herd enjoys a wide and favorable reputation as a source of supply of correct seed stock.

This sale offering deserves your attention. It contains 28 lots from the Taylor herd and 14 lots from the herd of Mark A. Cooper of Springfield, a neighboring breeder whose foundation was largely selected from the Taylor herd. So similar are the blood lines and so equal in quality and type are the animals from these two herds that they may easily be considered as one lot. Students of pedigrees will recognize the fact that this catalog contains some of the most fashionably bred cattle that will be offered this Fall. The cattle themselves are splendid individuals and the very fact that the offering contains such a large number of cows with good calves at foot should indicate the quick profits that are possible for those who make purchases. I am confident that this offering will please prospective buyers. The sale will occur on the day following the Mathers Bros.' Sale, thus affording a real opportunity for buyers from a distance.—Hal Longley of The Shorthorn World.

Public Sale of

MR. M. A. COOPER'S WOODLAWN HERD
WEDNESDAY, NOV. 13th, 1935

Sale will be held at the farm, 1 mile south and $\frac{1}{2}$ mile east of Williamsville, on good oiled roads. As this will be a large sale we expect to start selling hogs at 10:30 A. M. Cattle sale will begin at 12:30 sharp. Sale will be held under cover.

Lunch will be served by Ladies of the M. E. Church beginning at 10 o'clock so that all will have ample time before sale starts.

Announcement and Invitation

Once again I take great pleasure in extending an invitation to our friends and admirers of the Shorthorn fraternity to be with us for this sale of cattle.

We take particular pride in this offering of females, for we have gone deeply into our herds to make this sale a real attraction to you. We feel that the twenty cows with calves at foot, or well forward in calf, are as good as will be sold this season. They are most certainly the best we have sold.

The bred and open heifers are a very uniform, well conditioned lot, and the young bulls are just the type you would expect to use with entirely satisfactory results in your herds of well bred cattle.

As a result of the last combined sales of horses and cattle we have held, it is considered advisable at this time to change our program, so that we will from this time expect to have an annual fall sale of Shorthorns and an early spring sale of Percherons.

We feel the public sale method of selling live stock is the fairest transaction to both the buyer and the seller, and to our host of friends and patrons of our past sales, we wish to thank you one and all for the way you have received our annual offerings.

We wish to urge you to attend this sale for we are really proud of the cattle we are selling.

Feed conditions generally have not been favorable to making our offerings as good as we always like, and we are fortunate in having raised a good crop this season, as I think is also quite general. This offering is in good thrifty condition and will present an opportunity to many of you who have been handicapped by a shortage of feed, and are now in a position to really appreciate and care for good cattle, to add to or rebuild your herds.

We have great confidence in the immediate future of the live stock industry and believe the farmers and stockmen are awake to the opportunity that is open to them now.

Mr. Cooper has selected his foundation of females almost entirely from our herd, making his initial purchase of two open heifers just four years ago, and he has placed at the head of this herd one of the really good young bulls of the breed, Dreadnaught Dictator.

He added to his foundation some of the top females in our sales, purchasing some five or six elsewhere, and he is now including in this sale an offering of merit. I am pleased to have been instrumental in helping him make a start in the right direction with some good Shorthorns, gradually replacing the grades. He is retaining a high class lot of females.

The reserve cow herd of 50 good females at Imperial View Farms will enable us to go forward with our plans for an annual fall sale.

Ben Lake, our neighbor breeder, has one high class bull of serviceable age included in the sale. It is a pleasure for me at this time to have these men associated with my sale.

We urge you to bear in mind the high class offering of 50 lots of Mathers cattle, just 35 miles distant, the previous day, making two sales possible to attend on the one trip.

Plan to attend both sales and help yourselves to the good cattle offered before prices climb.

Sincerely,

RALPH J. TAYLOR

Terms and Conditions

All bulls are guaranteed to breed with proper care. No young bull shall be allowed to serve before 14 months old, or run with the cows until 20 months of age. Females four months in calf at time of sale or have calf at foot show evidence of breeding and no other guarantee is given. All other cows and heifers over sixteen months of age shall prove to be in calf or get in calf. If an animal fails to breed after a reasonable trial they can be returned if in good condition and another animal of equal value will be given in exchange after we have given them a reasonable trial, purchaser paying return expense.

GUARANTEE—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished. The failure of any animal to meet the guarantee must be reported in 70 days from date of sale.

Health Certificate showing a negative test for Bangs disease will be furnished where required. All cattle have recently passed negative test.

Certificates of Registry for each lot as well as applications for calves at foot or in dam will be furnished with each lot sold. Transfer applications for each lot sold will be signed, purchaser paying for the transfer.

TERMS—CASH.

We waive all responsibility in cases where purchaser does not conform to this guarantee and report failure of breeding guarantee within 3 months.

We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.

SIRE

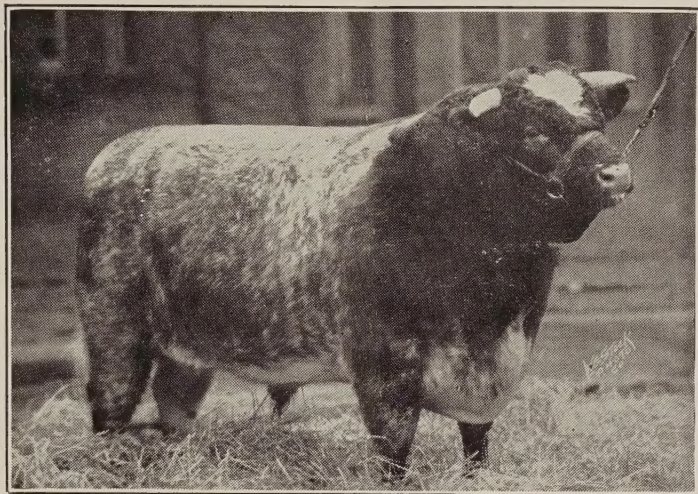

This picture of Sensation Again is taken in his every day clothes. He is just two years old in January—last year served and settled 60 head of females and is doing splendid service in our herd now. He has never been highly fitted or trained, living a rugged out of door life, and has a splendid disposition.

SON

This first son of Sensation Again is to be offered at public sale, is a very good example of the use of good breeding, and carries a very marked resemblance to his sire and noted grandsire. He is lot No. 23 in this sale.

Sensation Again was purchased from Haylands Farms as being the most suitable prospective Sire for use in our herd. He combines through his three top Sires the blood of Browndale Count, Imported Rodney and Avondale. We believe him the best prospective Sire we have ever used in the herd and the females in this sale carrying his service should be an attraction to anyone wanting to make improvement in their herd. His calves selling as single lots and at foot of their dams prove him to be a real breeding bull.
